## Tenant Notice

### *Jamieson Place Building Newsletter - Submissions*

#### ***Tenant Notice: Please forward to all Staff***

We have received plenty of positive feedback on our building newsletters. In an effort to keep them relevant and entertaining, we would like to ask you for help! We will be adding a couple of new features to the newsletters this year that require input from the building occupants.

Do you have a favorite recipe and want it featured in the building newsletter? If so, please forward your recipe along with your name and company name. We'll publish one or two recipes each quarter.

Is there someone in your office that is being recognized for an award or extraordinary achievement? Please let us know – we'd love to share the news with the rest of the building.

Is your Company doing something special or working on something great that you would like to see in the building newsletter? If so, please submit an article for us to include.

All submissions should be forwarded to Simona Berneanu, Tenant Relations Manager at [sberneanu@bentallkennedy.com](mailto:sberneanu@bentallkennedy.com) on or before **February 10, 2012**.
